## SPECIAL EVENT: MAY 23, 2023

### OHIO FOUNDRY SAFETY AND HEALTH DAY

Because the risk of workplace accidents is relatively high in foundries, the BWC and OSHA invite you to join us at NUCOR Steel's Marion, Ohio facility for a day of education and information sharing on this topic!

[CLICK TO VIEW FLYER](#)

## VIRTUAL TRAINING CLASSES (VTC)

As an alternative to in-person classes, BWC provides virtual, instructor-led classes to meet more in-depth learning needs. Virtual training classes provide the opportunity for participation and interaction consistent with the BWC classroom experience. All BWC program credits associated with a normal classroom experience are available with virtual class completion.

Virtual Training Class	Date	Time
Developing a Driver Safety Program	May 3	9:30 a.m. - 1:00 p.m.
Emergency Preparedness Planning Half-day Workshop	May 10	9:30 a.m. - 2:00 p.m.

Click here for  
VTC information

## WEBINARS

BWC provides at least one webinar on different safety and health topics each month. Subject matter experts share their knowledge and provide an opportunity for participants to ask questions. These lessons engage students with a variety of interactive methodologies, including whiteboard activities, polling, and chat discussions.

Webinar	Date	Time
Injury Prevention in Distribution and Packaging	May 18	11:00 a.m. - 12:00 p.m.
Healing the Human Brain: How Do We Damage It and Can We Repair It??	May 23	12:00 p.m. - 1:15 p.m.

Human Brain

### Webinar Recording Replays

If you miss a webinar, just search "replay" in the [BWC Learning Management System](#).

1. Go to [www.bwclearningcenter.com](http://www.bwclearningcenter.com).
2. Log in or create a new account.
3. Type "replay" in the "Search Catalog" field and click the magnifying glass to search.
4. Review recordings of past webinars (no credits provided).

**PLEASE NOTE:** To obtain BWC program credit, participants must complete a short knowledge assessment within the BWC Learning Management System after the webinar and earn a passing score. If the webinar provides credits, the host will provide further details regarding requirements for those seeking BWC program credit or Continuing Education Units (CEU)s during each webinar.

## ONLINE eCOURSES

These on-demand courses cover topics including Bloodborne Pathogens, Developing a Safety Culture, OSHA Recordkeeping 101, and others. Online course times range from 30 minutes to approximately two hours and provide the ultimate in convenience for learning at your pace and at your desired time.
